- Cult-like Following

These are a few of my
traits, beliefs, attitudes...

- Moralphobic
- Dadaistic
- Self-centered
- Hypocrite
- Narcissist
- Dogmatist
- Disdain for authority
parents
country
- Inability to reason
- Cannot answer questions
- Not arrogant, just perfect
- I see people and issues as I want and
think they should be, not as they are
- I'm OK, you're not
- Children need freedom not
strong parental moral guidance
- Truthful criticism of me
(although appropriate and necessary)
is unwanted and untrue
- Dysfunctional family
- Agitator not activist
- No courage just contempt
- No tolerance for rational thought
- No free speech unless it's my own
- No regard for common decency
- No wisdom
- No sound judgement
- Always in denial about my traits,
beliefs, attitudes...

I will always:

1. Deceive voters- especially low income & middle class!
2. Scare the hell out of the elderly.
3. Promote class envy.
4. Blame everyone else except me & my corrupt economic advisors.
5. Reward parasites of society for allegiance and votes.
6. Increase taxes and spending.

We have friends in
high places who always
give us words of
support.

How will that
help our cause?

Take heed, just one of their
words of encouragement
is equal to 10,000
bullets!

Our military
is evil.

The terrorists are
such nice people.

We'll make good
movies about them.

So what if
they bomb
our cities?
